

## Flint & Denbigh Show 2006

Local Solicitors, Swayne Johnson Limited, again ran a very successful competition at this year's Denbigh & Flint Show. As well as thanking everyone who visited their stand at the CLA marquee, the firm would also like to put everyone out of their misery and let them know the answers to the competition.

Assistant solicitor, Caryl Vaughan, organised the competition and the contestants had to identify the makes of 8 different tractors.

More than 80 people entered the competition but only 8 people successfully managed to name all 8 makes correctly.

Mr Owain Jones of Llanfairtalhaiarn scooped the £50.00 prize but, as a consolation, the other 7 who correctly named the makes of all 8 tractors received a £5.00 book token.

For all of you left wondering what the correct answers were:-

1. Renault;
2. Volvo;
3. Oliver;

4. Super Major;
5. Fergusson;
6. New Holland;
7. Massey Fergusson;
8. John Deere.

‘There was a lot of interest in the competition’ said Caryl. ‘A number of people mistook the Volvo for a Belarus and the old American tractor, Oliver, confused a fair few!’

Caryl added: ‘We would like to thank everyone for taking time to visit us at the Denbigh and Flint show and we look forward to welcoming all to our stand again next year.’
