

Consultancy Services

The specialist solicitors at Swayne Johnson can provide consultancy services to your practice in the following areas:-

- Capital Taxation including Capital Gains Tax and Inheritance Tax Planning
- Trusts and Trust Taxation
- Health & Safety
- Minerals/Waste
- Environmental

We cover the whole of North Wales including West Wales and Anglesey and would be pleased to attend at your office for an informal chat about these services. We offer a “no poaching” guarantee so that you can rest assured that your clients will not be actively marketed or courted for other work.

This service is available in English or Welsh and fixed fees/a flexible charging structure is available.

Please contact Sarah Noton or Stuart Vessey for further details.
